

VIETRADE - On 26 May 2016, the Southwest Region Steering Committee and the Provincial People's Committee of Hanoi organized a Conference "Fostering investment cooperation, trade and tourism promotion between Mekong Delta Region and Hanoi and Northern provinces". The conference was attended by leaders of Ministries and sectors at central level, leaders of Hanoi and Mekong Delta provinces, etc., including Mr. Nguyen Cam Tu, Vice Minister of Industry and Trade.

Accelerating market development activities

During his presentation at the conference, the representative of Vietnam Trade Promotion Agency (Ministry of Industry and Trade), Deputy Director General Do Kim Lang said: "With the guidance and a lot of attention of the Government, Ministries, sectors and provinces, along with efforts of Associations, industries and enterprise community, local and international market development activities of the agro-aquaculture industries of Vietnam have achieved encouraging results. In the past years, Vietnamese export agro-aquaculture products have made a significant contribution to the total national export turnover, enabling the stabilization of goods consumption and improvement in farmers' income and living quality".
